

HB 444 -- Parent Time for Missouri Program

Sponsor: Hubbard

This bill establishes the Parent Time For Missouri Program within the Department of Elementary and Secondary Education, which allows parents, legal guardians, and step-parents of students in kindergarten through the twelfth grade to receive one hour of paid leave per semester to work with their children in school. Each authorized person who chooses to participate will receive a written statement from the school district indicating the person spent one hour in the school working with his or her child.
